**Description of product**

**Description of how items have been made**

The jury will accept items based on the following criteria:

- the applicant lives within 100 km radius
- the item is of original design and workmanship
- the item is hand made by the applicant
- the item is appropriately priced
- the item is labelled with all necessary information, e.g. fibre content, care instructions, etc.
- the item is clean and new
- edible items are packaged in new containers according to Ontario Ministry of Health regulations

Items are accepted or declined at the sole discretion of the jury, according to the mission statement and vendor agreement. Any one member of the jury may accept items; all three members must agree to decline. All decisions are final.
